Our special guests this Sunday are Lorraine Clark, & Echo. Echo is a 1 year old Lab, who is being trained as a Service Dog. Lorraine is Owner/Trainer of Suncoast Service Dogs, Inc. She has agreed to work with the Citrus County Elk Lodges, to start training Service Dogs for Veterans. Until now, a Veteran had to travel to Gainesville, Tampa, or Orlando to get a Service Dog. Come & talk to Lorraine about Service Dogs for Vets. She is there to answer your questions and explain what type of service, that these dogs can provide. All Citrus County Veterans Organizations are invited, to learn how they can become involved in this project.
